We're so glad to have the opportunity to bless your family this Christmas Season!

We're planning on providing invited families with at least 3-4 gifts for each of your children 11 & under, in addition to some stocking stuffers and a festive and fun-filled evening for your whole family!

As you secretly shop (no cost!) for gifts in our new auditorium, your young children (if they come along with you) will have their own party in our foyer - it will be a FANTASTICALLY FUN time in a safe environment for them, and they won't see what you've picked out!!

They'll get to see Santa, have some delicious treats, and hear songs and stories. Meanwhile, our volunteer* teams will be helping you shop, wrap, and secretly stow away your gifts in the trunk of your car before heading home with your kids.

Please RSVP using the link below (NO WALK-INS WILL BE ALLOWED), and keep an eye on your email for confirmation and more details from Life Church Buffalo!
